ANNEX II : TECHNICAL SPECIFICATIONS

Putty

The putty for both wood frames and metal casement shall conform to British Standard 6262:1982 – Table 5 or equivalent european standards. Slight variation from the quoted standard not effecting quality or performance will be considered.

Glass

The clear sheet glass shall conform to British Standard 952 Part 1:1978 (latest edition) or the equivalent european standard. The quality of the sheet glass tenderers propose to supply is to be such as to present a minimum of distortion of vision and reflection. In this regard Government reserves the right to reject any consignment of glass which in the opinion of the Head of Department concerned is not of the required quality due to distinct distortion of vision and reflection. The clear sheet glass shall be supplied in the dimensions specified on the requisition submitted by Department.
