SPECIFICATIONS AND CONDITIONS FOR THE SUPPLY OF TOILET PAPER

Scope of Contract

1. This contract provides for the supply and delivery inclusive of Value Added Tax, Customs Import Duty, ECO Contribution (if any) and other charges as applicable, to Government Departments, as and when required, of Toilet Paper manufactured from recycled paper, as described in the attached specifications and in the colour indicated on Schedule. Supplies shall be made in accordance with the attached General Conditions of Contract for the supply of Goods and Materials under a running (Period) contract insofar as these are not inconsistent with these specifications and special conditions.

Period of Completion

2. This contract shall run from the 02 January 2009 and terminates on the 31 December 2009. However the validity of the contract may be extended for a further period of 3 months after the due termination date.

Quantities

3. The quantity shown on Schedule is only indicative and where necessary may be exceeded. However Government reserves the right not to order the whole quantity shown against each item and Government would not be doing so be held liable to any damages or other cost whatsoever.

Samples

4. Samples consisting of eight (8) rolls of the type of toilet paper the tenderer proposes to supply are to reach the Procurement Section, Contracts Department, Floriana, by the due date and time fixed for the submission of tenders. Samples are to bear a label marked clearly with the name and address of the tenderer. Failure to comply with this condition will invalidate the tender.

Deliveries

5. Supply shall only be made against a written Requisition or Order by the Head of Department concerned or his representative. Government will not accept liability for verbal orders and will not meet claims for any value thereof even though the material may have been supplied and made use of by the Department concerned. Delivery shall be effected within not more than ten (10) working days from the date of the written order or requisition.

The contractor shall, however, be bound to keep in stock at all times a supply equivalent to 5% of the quantities indicated in the schedule, which stocks shall cater for any emergency requirement as duly approved by the Director of Contracts.

6. The Head of department shall have the power to reject any consignment or part thereof, should it not be to his satisfaction or should the material not be in accordance with the specifications/sample submitted by contractor and approved by Government for award of contract. Any rejected material shall be collected by the contractor and replaced within ten days of the receipt of notice to that effect from the Heads of Department concerned. Vouchers shall be prepared for payment to the contractor when the material is to the entire satisfaction of the Head of Department concerned.

Specifications

7. The toilet paper rolls shall have the following characteristics:-
 - a. The two ply toilet paper rolls shall be of extra soft grade. The average grammage of the double ply paper shall be not less than 34g/m².
 - b. They shall consist of unglazed soft tissue paper and shall be free from deleterious defects such as fibre bundles and wood splinters and other defects that may impair its serviceability.
