CONTRACTS FOR THE PROVISION OF CARE, SECURITY AND CLEANING SERVICES

In a concerted effort to eradicate precarious work, the Department of Contracts has held discussions with interested stakeholders where it was decided that without prejudice to previous OPM and Contracts Circulars, all Contracting Authorities listed under Schedule I of the Public Procurement Regulations, shall, as from 1st January 2014, submit copies of all contracts awarded in respect of the provision of care, security and cleaning services to the Department for Industrial and Employment Relations at 121, Melita Street, Valletta VLT 1121 or via e-mail at ind.emp.relations@gov.mt. In addition, Directors Corporate Services are expected to send a quarterly report as per attached specimen to the same Department and copied to the Department of Contracts via email at info.contracts@gov.mt, detailing the list of contracts awarded by the respective Departments and Entities falling within their respective portfolio.

It is expected that with this information in hand, the competent Authority for safeguarding the conditions of employment in Malta will be in a better position to step up its efforts to address precarious work in Government tenders.

It is imperative that all Contracting Authorities invariably comply with the provisions of this Circular.

Anthony Cachia
Director General (Contracts)
