## **CORRIGENDA / ADDENDA TO CONTRACT AGREEMENT TEMPLATE**

In line with the functions of the Director of Contracts, the Department of Contracts (DoC) regularly publishes and updates procurement templates.

These templates assist procurers in the drawing up of adequate public procurement documents.

All the templates are accessible to ePPS account holders and may be accessed grouped in a zipped folder, through the Resources Section of Government's e-Procurement platform (Electronic Public Procurement System (ePPS) – [www.etenders.gov.mt](http://www.etenders.gov.mt)).

**It is to be noted that templates in respect of Addenda and Corrigenda are also being added to the templates that may be utilised accordingly.**

Contracting Authorities are encouraged to submit any queries on these templates to their respective Ministry's Procurement Section or to their Ministerial Procurement Unit (MPU), as the case may be.
