**PUBLICATION OF PROCUREMENT POLICY NOTES (January – March 2019)**

Further to Contracts Circular N° 03/2018 dated 16 February 2018, the Department of Contracts has endeavoured to publish a quarterly Contracts Circular providing an overview of any new/updated Procurement Policy Notes (PPNs).

To this effect, enclosed with this circular, at Annex 1, the Department of Contracts is providing a list of Procurement Policy Notes published and repealed after Contracts Circular N° 04/2019 dated 23 January 2019.

All Contracting Authorities are reminded that the Procurement Policy Notes are accessible through the Department of Contracts' website under the 'Publications' section (<http://contracts.gov.mt/en/Pages/Home-DepartmentOfContracts.aspx>). Alternatively, all ePPS account holders may access the said PPNs, grouped in a zipped folder, through the 'Resources' section of Government's e-Procurement platform ([Electronic Public Procurement System – ePPS](#)).

Contracting Authorities are encouraged to submit any queries to their respective Ministry's Procurement Section or to their Ministerial Procurement Unit (MPU), as the case may be.

Director General (Contracts)
