PUBLICATION OF GUIDANCE NOTES (January – June 2020)

Further to Contracts Circular N° 12/2019 dated 28 August 2019, the Department of Contracts has endeavoured to publish a bi-annual Contracts Circular providing an overview of any new / updated Guidance Notes.

To this effect, enclosed with this circular, at Annex 1, the Department of Contracts is providing a list of Guidance Notes reviewed since 28 August 2019.

All Contracting Authorities are reminded that all active ePPS account holders, when logged in, may access Guidance Notes, grouped in a zipped folder, through the 'Resources' section of Government's e-Procurement platform (Electronic Public Procurement System – ePPS).

Contracting Authorities are encouraged to submit any queries to their respective Ministry's Procurement Section or to their Ministerial Procurement Unit (MPU), as the case may be.
